beyond

above and beyond your expectations.

The CN Tower, one of Canada's top attractions, is a unique and state-of-the-art destination for corporate events for up to 2,000 people. Award-winning cuisine, customizable menus and exceptional service set among spectacular views are just a few of the ways the CN Tower will go above and beyond with your next business event.

State-of-the-art

Our private Maple Leaf Cinema and fully customizable meeting rooms let you create an impressive event that means business.

Featuring the latest in audio visual technology, the 140-seat Maple Leaf Cinema offers an exclusive setting for annual general meetings, product launches, seminars or private screenings.

Fully flexible meeting rooms adjacent to the cinema feature the latest in high-tech communications and room for up to 90 people in a variety of layouts. Enjoy hospitality services in-room or arrange for a meal or reception at Horizons or 360 Restaurant.

them all.

Award-winning cuisine

Horizons offers elegant and versatile event facilities that will allow you to create a customized event as impressive as its views. Horizons gives you the most freedom to create a memorable event with custom menu and décor options. This unique space also includes a stage, dance floor and built-in audiovisual equipment with a seating capacity of up to 150 people or up to 250 guests for a reception.

Exceptional service

With an inventive, locally sourced, seasonal menu and an award-winning wine cellar, 360 Restaurant offers an inspiring gastronomic experience in an unsurpassed setting. Custom culinary creations are also available for special events with impeccable service for up to 400 guests. Wine Spectator Best of Award of Excellence since 1999. DiRoNA (Distinguished Restaurants of North America) since 1997.
