• If you are fully vaccinated**, select "No".

5. In the last 14 days:

a) have you travelled outside of Canada AND been advised to quarantine per [the federal quarantine requirements](#)?

Yes

No

b) has someone you live with travelled outside of Canada AND been advised to quarantine as per federal quarantine requirements?

Yes

No

• If you are fully vaccinated**, select "No".

If "YES" to questions 2, 3, 4 or 5: Do not enter this location + follow Toronto Public Health advice.

Operators of the following businesses or organizations that are permitted to open under Step 3 of [O. Reg. 364/20](#) are required to actively screen all persons before they enter:

- Casinos, bingo halls and gaming establishments
- Driving instruction
- Facilities for sports and recreational fitness activities
- Personal training
- In-person teaching and instruction
- Meeting or event space, conference centres, convention centres
- Personal care services relating to the hair or body
- Food or drink establishments with dance facilities, including nightclubs and restoclubs
- Photography studios and services
- Restaurants, bars and other food and drink establishments, dine-in services
- Retail test drives of any vehicles, boats or watercraft
- Sex clubs and bathhouses
- Strip Clubs

Screening can be completed in advance [online](#) or on-site before the patron enters the business or organization. The person responsible for the business or organization must ensure that the result of screening is used to determine whether the patron may enter.

Developed in accordance with recommendations and instructions issued by the [Office of the Chief Medical Officer of Health](#)

**Fully vaccinated is defined as an individual ≥ 14 days after receiving their second dose of a two-dose COVID-19 vaccine series or a single dose of a one-dose COVID-19 vaccine series.
